Press release

**Placement of a minimum of 3,200,000 Eurazeo shares
and
Issue of zero coupon bonds due 2016 exchangeable for a maximum of 5,084,582
Eurazeo shares**

Paris, November 21, 2013 – Under its balance sheet optimization policy, Crédit Agricole S.A., which holds approximately 18.25 % of the share capital of Eurazeo, announces the combined launch of a placement of Eurazeo shares and an issue of zero coupon bonds exchangeable for Eurazeo shares, together relating to an initial number of approximately 8.3 million Eurazeo shares.

The placement of an initial number of 3,200,000 Eurazeo shares (the **"Shares"**) will be carried out by way of a private placement through an accelerated bookbuilding process (the **"Share Placement"**).

An offering by Crédit Agricole S.A. (the **"Issuer"**) of zero coupon bonds exchangeable for existing shares of Eurazeo due 2016 (the **"Bonds"**) will be carried out by way of a private placement through an accelerated bookbuilding process (the **"Bond Issue"**).

The underlying shares of the Bond Issue represent a maximum of 5,084,582 existing shares of Eurazeo (including the over-allotment option granted to the Joint Bookrunners representing approximately 15 % of the initial size of the Bond Issue).

The nominal value of each Bond will correspond to a premium of 22 % compared to the sale price of the Shares under the Share Placement.

The Bonds will not bear interest (zero coupon) and will have a 3-year maturity (except in case of an early redemption). They will be redeemed at par at maturity (except in case of an early redemption), subject to the Issuer's option to deliver existing shares of Eurazeo and an additional amount in cash.

The Bonds will be issued at a price comprised between 100 % and 103 % of their nominal value, corresponding to a gross yield to maturity comprised between -0.98 % and 0 %.

Bondholders may exercise their right to exchange their Bonds for Eurazeo shares at a ratio of one Eurazeo share per Bond, subject to any subsequent adjustments, in particular relating to transactions affecting Eurazeo's share capital, and subject to the Issuer's option to pay in cash all or part of the value of the Eurazeo shares instead of delivering such shares.

The proceeds of the Share Placement and the Bond Issue will be used for general funding purposes of Crédit Agricole S.A. group.

The Share Placement and the Bond Issue are managed by Crédit Agricole Corporate and Investment Bank as sole Global Coordinator and Joint Bookrunner and Goldman Sachs International as Joint Bookrunner (together, the **"Joint Bookrunners"**).

The Shares and the Bonds are being offered exclusively by way of a private placement in France and outside France, with the exception of the United States of America, Canada, Australia and Japan.

Settlement for the Share offering will take place three trading days after the determination of the price of the Share Placement.

Settlement for the Bond offering is expected to take place on 6 December 2013. An application will be made for the admission of the Bonds to trading on the Euro MTF market of the Luxembourg Stock Exchange.

Crédit Agricole S.A. has entered into a lock up agreement relating to the shares of Eurazeo that it will continue to hold following the closing of the Share Placement, for a period of 90 calendar days, subject to certain customary exceptions including the consent of the Joint Bookrunners.
