PRESS RELEASE

Crédit Agricole Private Equity's Venture Capital division has been strengthened by the appointment of two Senior Investment Directors, Renaud Poulard and Bernard Nabet, both experienced businessmen and venture capital investors.

Since its creation five years ago, the Venture Capital division of Crédit Agricole Private Equity has built up a portfolio of 54 private companies in five sectors, based mostly in France, representing over €230m in assets under management.

Under the leadership of Antoine Colboc, the Information and Communications Technology unit is in full expansion as part of Crédit Agricole Private Equity's Venture Capital division. [...]
