PRESS RELEASE

Crédit Agricole S.A.'s board of directors, chaired by René Carron, met on 5 September 2006 to approve the results for the first half of 2006.

Crédit Agricole S.A. generated net income (Group share) of €2,669 million, an increase of over 43.1% compared to the same period in 2005. This excellent performance is based on a solid first quarter, confirmed by record second-quarter results in terms of revenues and cost/income ratio...
