Retail customers of Crédit Agricole are being given the opportunity to invest in Jayanne 4, a new investment fund offering a capital guarantee at maturity. The fund is aimed at people wanting to invest in the stockmarket while limiting the risks to their capital and benefiting from the tax breaks offered by investments held within a life insurance wrapper. Jayanne 4 is eligible for inclusion in the Predissime 9 and Optalissime Option 1 life insurance policies from Predica, the life insurance arm of Crédit Agricole ...
