CA CHEUVREUX IS CONTINUING ITS DEVELOPMENT IN SOUTHEASTERN EUROPEAN MARKETS

CA Cheuvreux is continuing its development in southeastern European markets with the launch of a new research product on Greek equities. The Greek team began operations in mid-September. They will cover Greek listed companies as well as a selection of Romanian and Bulgarian companies. Coverage of the Turkish market is scheduled to begin in Q1 2008. CA Cheuvreux will be opening offices in Athens and Istanbul in the near future...
