Acceptance

During the Acceptance Period that expired at 17:40 CET today, 14,088,162 Securities have been tendered for acceptance pursuant to the Offer, representing approximately 95.30% of all issued and outstanding Securities, i.e. excluding any Treasury Securities. CACEIS currently holds no Securities in KAS BANK, so will hold 95.30% of all issued and outstanding Securities (i.e. 14,088,162 Securities) upon settlement of the Securities tendered for acceptance during the Acceptance Period. At an offer price of EUR 12,75 (cum dividend) in cash per Security, this represents an aggregate value of EUR 179,624,065.50 (the "Offer Price").

Settlement

The Securityholders that have tendered and delivered their Securities for acceptance pursuant to the Offer, will receive on the Settlement Date the Offer Price in respect of each Security validly tendered (or defectively tendered provided that such defect has been waived by the Offeror) and delivered (*geleverd*), under the terms and conditions set out in the Offer Memorandum and subject to the restrictions stipulated therein. Payment of the Offer Price per tendered Security will occur on 27 September 2019.

Upon Settlement the changes to the composition of the Supervisory Board of KAS BANK, as approved by the general meeting of KAS BANK on 12 September 2019, will become effective. Following Settlement the Supervisory Board of KAS BANK will be composed of: Peter Borgdorff, Pauline Bieringa, Hans Snijders, Jean-François Abadie, Catherine Duvaud and Joseph Saliba.

Post Acceptance Period

CACEIS hereby announces that Securityholders who have not tendered their Securities during the Acceptance Period will have the opportunity to tender their securities under the same terms and conditions as the Offer in a Post Acceptance Period (*na-aanmeldingstermijn*) commencing at 9:00 hours CET on Tuesday, 24 September 2019 and expiring at 17:40 hours CET on Monday, 7 October 2019 (the "Post Acceptance Period").

Securities validly tendered (or defectively tendered provided that such defect has been waived by the Offeror) during the Post Acceptance Period may not be withdrawn.

The Offeror will, within three (3) Business Days after the Post Acceptance Period has ended, announce the number and percentages of Securities that have been tendered in the Post Acceptance Period and the total number and percentage of Securities the Offeror owns after the Post Acceptance Period has ended, in accordance with Article 17, paragraph 4 of the Decree.

The Offeror will continue to accept for payment all Securities validly tendered (or defectively tendered provided that such defect has been waived by the Offeror) during such period and will pay for such Securities within four (4) business days following the end of the Post Acceptance Period.

During the Post Acceptance Period, Securityholders have no right to withdraw Securities from the Offer, regardless of whether their Securities have been validly tendered (or defectively tendered, provided that such defect has been waived by the Offeror) during the Acceptance Period or the Post Acceptance Period.

Delisting and liquidity

CACEIS and KAS BANK intend to procure the delisting of the Securities from Euronext Amsterdam and termination of the listing agreement between the Company and Euronext Amsterdam in relation to the listing of the Securities. Delisting may further adversely affect the liquidity and market value of any Securities not tendered.

Squeeze-out Procedure

CACEIS intends to commence in an expeditious manner a compulsory acquisition procedure (*uitkoopprocedure*) in accordance with article 2:92a DCC or the takeover buy-out procedure in accordance with article 2:359c DCC. Reference is made to section 4.18.1 (*Delisting, Squeeze-out Procedures*) of the Offer Memorandum.

Further implications of the Offer being declared unconditional

Remaining Securityholders who do not wish to tender their Securities in the Post Acceptance Period should carefully review the sections of the Offer Memorandum that further explain the intentions of the Offeror and KAS BANK, including Section 4.19 (*Consequences of the Offer*) and Securities 4.18 (*Post-Closing Restructuring Measures*). This section describes certain risks remaining Securityholders will be subject to if they elect not to accept the Offer and certain measures the Offeror may take to achieve its goal of obtaining 100% of the Securities. These risks are in addition to the risks associated with holding Securities issued by KAS BANK generally, such as the exposure to risks related to the business of KAS BANK and its subsidiaries, the markets in which KAS BANK operates, as well as economic trends affecting such markets generally as such business, markets or trends may change from time to time.

Announcements

Announcements in relation to the Offer, including announcements in relation to an extension of the Offer past the Acceptance Closing Time will be issued by press release and will be made available on KAS BANK's website at www.kasbank.com.

Subject to any applicable requirements of the Merger Rules and without limiting the manner in which the Offeror may choose to make any public announcement, the Offeror will have no obligation to communicate any public announcement other than as described above.
